Case No. 2:22-mj-00811-BNW

**MOTION TO MODIFY
CONDITIONS OF
PRE-TRIAL RELEASE**

16 On October 18, 2022, this court released Mr. Glenn on certain conditions.

17 One of those conditions required PTS to install monitoring software on all electronic
18 devices (work and personal).

19 Mr. Glenn works for Stations Casinos in leisure sales/internet booking. His employer
20 will not allow third party monitoring on his work computer. His employer has its own
21 monitoring software on all work computers to ensure employee compliance.

22 Mr. Glenn requests this Court modify his conditions of release to only require
23 electronic monitoring software on his personal devices. This will allow Mr. Glenn to maintain
24 his employment.

1 After the Nevada USAO consulted with the USAO in the Middle District of Florida,
2 the government will defer to this Honorable Court and takes no position on the requested
3 modification.

4 Pretrial Services has no opposition to this modification.
